Dear Mr. Greer:

I just received a letter from you. I am sure our letters must have crossed, as you could not have received mine. In the same letter with yours, there was one from Savannah. They also sent a schedule of their exhibition games. To make a long story short, they have an exhibition game in there almost every day. We cant have any Sunday, and only a couple days.

Now I can give you the only night I can have, that is the 19th, and could play you in Jacksonville the 17th and 18th, or you could play me one of these days and play The Cubans one.

About the 8th in Jacksonville, I am not coming to camp until then, for one reason so many of my men are in Puerto Rico, and they dont return here until the 15th. I dont want to be playing with a weak team.

Now if you can arrange anything for the 14th, I will play you, but it looks to me like there is a real scarcity of ball parks.

I believe I could have done better about parks down in Florida, but maybe not.

Please let me hear from you how this sounds. I am very sorry we could not have gotten a Sunday in Savannah. Maybe if everything goes alright with us training there, it will be easy to get in there from now on. You spoke of Savannah being open on the 28th, I will have left camp by that time, but if you can get another team to play you there I will try to get you the park.

Very Truly Yours

P.S. I believe it would be better if you play me one day and The Cubans one day in Jacksonville.
